

We will use three Eucharistic Ministers for Host distribution.

Host 1 should stop at the tabernacle as the others gather in the sanctuary. This minister opens the tabernacle door, genuflects, and removes the ciborium from the tabernacle. If this renders the tabernacle empty, the tabernacle door is left open until the Blessed Sacrament is reposed after Communion. If there is a *luna* in the tabernacle (round glass sphere containing a large host), the tabernacle door should be closed. Host 1 then takes the ciborium to the priest.

Host 2 should distribute Communion to the cantor, organist, and altar servers before moving to the center aisle beside the priest.

Important note: If a deacon or visiting priest is present at the Mass, he will assume the duties of the scheduled Host 2 minister. If you are scheduled to serve at that Mass, please remain with the congregation and allow the deacon or priest to take your assigned spot. Thank you.

Attention: Eucharistic Ministers

When Deacon Joseph is present at Mass, he will take the position of Host 2. If that was your scheduled spot, please remain with the congregation.

Deacon Joseph will retrieve the Ciborium from the Tabernacle (instead of Host 1). He will distribute Holy Communion to the Altar Servers, Organist, and Cantor. He will then move to the position of Host 2, next to the priest in the center aisle.

Deacon Joseph will purify the bowls and chalice. If you could assist him, please place a small amount of water in each bowl. This will help him in the purification.

If Deacon Joseph is not serving at your scheduled Mass, please purify only your bowl after the distribution of Communion. The priest or sacristan will cleanse the chalice.
